

Thank you from Ms. Place

Hello families. I am ending my practicum on Friday the 5th. I will go back to Vancouver Island University to finish the final part of my degree and will graduate later this month.

I enjoyed teaching this group. They were an energetic class that taught me so much, about teaching and about themselves. We learned about parts of the human body, went on a field trip to the Parliament Buildings in Victoria to add to our knowledge of the government, did some math transformations and studied different novels. We set goals as a class and counted marbles. We created Picasso art, designed our own coat of arms and took a few tests. We had a Remembrance Day assembly to honour those that gave so much and we learned some wonderful songs to sing at the concert.

I had a fantastic time in the class and I wanted to send my thanks for sharing your children with me, as well as to Ms. Wilcox for also sharing her classroom with me. I enjoyed my time at Park Avenue and I got to know this class so well; I will miss them very much. I will keep in touch and will come visit!

I wish you all the best and a safe holiday season. I hope I will see you in the future!

Ms. Susan Place
